George Washington's First Thanksgiving Proclamation

October 3, 1789

WHEREAS, IT IS THE DUTY OF ALL NATIONS TO ACKNOWLEDGE THE PROVIDENCE OF ALMIGHTY GOD, TO OBEY HIS WILL, TO BE GRATEFUL FOR HIS BENEFITS, AND HUMBLY TO IMPLORE HIS PROTECTION AND FAVOR; AND

WHEREAS, BOTH HOUSES OF CONGRESS HAVE, BY THEIR JOINT COMMITTEE, REQUESTED ME "TO RECOMMEND TO THE PEOPLE OF THE UNITED STATES A DAY OF PUBLIC THANKSGIVING AND PRAYER, TO BE OBSERVED BY ACKNOWLEDGING WITH GRATEFUL HEARTS THE MANY AND SIGNAL FAVORS OF ALMIGHTY GOD, ESPECIALLY BY AFFORDING THEM AN OPPORTUNITY PEACEABLY TO ESTABLISH A FORM OF GOVERNMENT FOR THEIR SAFETY AND HAPPINESS:"

NOW, THEREFORE, I DO RECOMMEND AND ASSIGN THURSDAY, THE 26TH DAY OF NOVEMBER NEXT, TO BE DEVOTED BY THE PEOPLE OF THESE STATES TO THE SERVICE OF THAT GREAT AND GLORIOUS BEING WHO IS THE BENEFICENT AUTHOR OF ALL THE GOOD THAT WAS, THAT IS, OR THAT WILL BE; THAT WE MAY THEN ALL UNITE IN RENDERING UNTO HIM OUR SINCERE AND HUMBLE THANKS FOR HIS KIND CARE AND PROTECTION OF THE PEOPLE OF THIS COUNTRY PREVIOUS TO THEIR BECOMING A NATION; FOR THE SIGNAL AND MANIFOLD MERCIES AND THE FAVORABLE INTERPOSITIONS OF HIS PROVIDENCE IN THE COURSE AND CONCLUSION OF THE LATE WAR; FOR THE GREAT DEGREE OF TRANQUILITY, UNION, AND PLENTY WHICH WE HAVE SINCE ENJOYED; FOR THE PEACEABLE AND RATIONAL MANNER IN WHICH WE HAVE BEEN ENABLED TO ESTABLISH CONSTITUTIONS OF GOVERNMENT FOR OUR SAFETY AND HAPPINESS, AND PARTICULARLY THE NATIONAL ONE NOW LATELY INSTITUTED; FOR THE CIVIL AND RELIGIOUS LIBERTY WITH WHICH WE ARE BLESSED, AND THE MEANS WE HAVE OF ACQUIRING AND DIFFUSING USEFUL KNOWLEDGE; AND, IN GENERAL, FOR ALL THE GREAT AND VARIOUS FAVORS WHICH HE HAS BEEN PLEASED TO CONFER UPON US.

AND ALSO THAT WE MAY THEN UNITE IN MOST HUMBLY OFFERING OUR PRAYERS AND SUPPLICATIONS TO THE GREAT LORD AND RULER OF NATIONS, AND BESEECH HIM TO PARDON OUR NATIONAL AND OTHER TRANSGRESSIONS; TO ENABLE US ALL, WHETHER IN PUBLIC OR PRIVATE STATIONS, TO PERFORM OUR SEVERAL AND RELATIVE DUTIES PROPERLY AND PUNCTUALLY; TO RENDER OUR NATIONAL GOVERNMENT A BLESSING TO ALL THE PEOPLE BY CONSTANTLY BEING A GOVERNMENT OF WISE, JUST, AND CONSTITUTIONAL LAWS, DISCREETLY AND FAITHFULLY EXECUTED AND OBEYED; TO PROTECT AND GUIDE ALL SOVEREIGNS AND NATIONS (ESPECIALLY SUCH AS HAVE SHOWN KINDNESS TO US), AND TO BLESS THEM WITH GOOD GOVERNMENTS, PEACE, AND CONCORD; TO PROMOTE THE KNOWLEDGE AND PRACTICE OF TRUE RELIGION AND VIRTUE, AND THE INCREASE OF SCIENCE AMONG THEM AND US; AND GENERALLY, TO GRANT UNTO ALL MANKIND SUCH A DEGREE OF TEMPORAL PROSPERITY AS HE ALONE KNOWS TO BE BEST.

GIVEN UNDER MY HAND, AT THE CITY OF NEW YORK, THE 3RD DAY OF OCTOBER A. D. 1789.

Milam Vote Heavy For Market Quotas

Growers Say 422 For, 35 Against

Milam County voters joined cotton growers across the nation in overwhelming approval for cotton marketing quota in Tuesday's referendum.

Milam growers voted 422 in favor of the cotton marketing quota and 35 against. An early and unofficial report said the quota proposition had carried by a 91 per cent of the nationwide vote.

A two-thirds majority, or about 67 per cent of the nationwide vote was needed for approval.

Peanut growers in Milam County voted 32 for marketing quotas 12 and against.

396 AGAINST, 61 FOR

On the proposition to sell or lease allotments across county lines, 394 voted against allotment transfers and 61 for. This proposition was on a county-option basis.

ASCS officials explained that transfers of upland cotton allotments by sale or lease may still be made from one farm to another within the same county and from one farm to another owned by the same person across county lines within the state.

Had voters failed to approve the cotton marketing quota, allotments would have remained in effect for the 1966 corp, but there would have been no marketing quotas and no penalties on excess cotton.

It also would have ended the additional price support in the form of payments, diversion payments, and export market acreage reserve.

THREE-YEAR PLAN

Had the referendum on transfers outside the county passed, it would have been in effect for three years.

Since the vote was against transfers, another referendum on the question will be held next year.

ASCS officials credited keen interest in the allotment transfer referendum for the near record vote.

1966 Industrial Fund Date Set

Cameron Industrial Foundation directors set an early 1966 target date for kicking off a $100,000 industrial fund drive Tuesday while City planners met with consulting engineers Monday.

Several industrial sites are under consideration by the CIF site survey committee, Narvie Caperton, chairman of the directors, said this week.

Directors heard reports from site committee chairman Lester Williams, publicity assistant-chairman Frank Luecke and CIF co-chairman Bob Welis.

The Monday joint meeting of City Planning Commission and City Council heard W. W. Grief and Ed Apel, chief consulting engineer and vice president, respectively, of Raun & Associates, Fort Worth consulting engineers.

They explained a proposed comprehensive plan for Cameron, and discussed various federal projects which will assist communities in developing street, sewer and other community works improvements.

Mayor Bassel Wilson told the group that a comprehensive plan, part of the program for a 30-unit Cameron Houston Project would soon be in the hands of the Planning Commission.

The planning session was the second of a series called by Chairman A. W. McCullan to acquaint the community leaders with the various development possibilities.

In the industrial board meeting, a tentative starting date for a fund drive was set for mid-February, 1966. Directors discussed the need for further site development before additional industrial contact work can begin and considerable planning for explaining the industrial needs to the Cameron community.

Salvation Army Drive Kickoff Meet Tuesday

Rev. H. M. Bowley, the 1965 campaign chairman for The Salvation Army, said the annual campaign will get underway with a kick-off coffee and donut meeting, Tuesday, November 30, at 9:30 a.m. at the Texan Cafe. This meeting will be for all campaign workers in North Milam County which is included in the campaign efforts to raise $2,000.

Team Captains that have been selected are: Forrest Sapp, Rev. J. E. Lafferty, Mrs. Bill J. Eanes, Bill Crockett, Rev. Eugene Strickland, Ed Laywell, Mrs. Frank Luecke, Rev. Anthony Thibodeaux, Mrs. Morris Eplen, Monroe H. Fuchs, Charles Chandler, and Rev. Bob Wimberly. Each Team Captain will have five team members working with him. Judge Don Humble is handling the Advance Gifts, and Mrs. E. H. Gandy is serving as Chairman for Buckholts. Chairman will be selected by the end of the week for Burlington, Ben Arnold, Maysfield, Branchville, Marak and Yarrelton.

Salvation Army services are available to both local and transient individuals when there is an evident need according to Service Unit Chairman, John Schigut. In addition to the local program of help that takes place throughout the year, all of the state services are available anytime they are needed.

NM Blood Program Assured In Drive

A total of $2,443.56 was reported donated to the Red Cross during their recent drive in Cameron and about $400 donated by residents of North Milam County communities.

James Camp and Albert Collins, co-chairmen of the Cameron drive said response to the fund campaign was overwhelming and would insure North Milam's participation in the Red Cross Blood program.

Cameron businesses gave $1,722 and an additional $721.56 was given by residents in the door to door drive.

Bellville Tickets Sold Out Here

Yoe High Principal Harrison McLerran said Cameron reserve seat tickets for the Yoe High - Bellville game in Temple Friday night had all been sold by early Wednesday afternoon and student ticket sales would close at 5 p.m. Wednesday.

He said general admission tickets will be on sale at Temple banks Friday and at the stadium beginning at 6:30 p.m. Friday. Student tickets at the gate will be $1 and general admission $2.

Ha, ha! Seven false alarms in two weeks for Cameron Fire Department. Isn't that a fun joke?

Just think how much kick those volunteer firemen get out of racing to a fire that isn't there.

Imagine how they must laugh at the clever people who call in and play the little joke. And you know, they'll never figure out who does it, 'cause we're clever and all that.

Ha, ha! See the angry firemen as they jump into their cars and trucks for another call. Ha, ha! They're going, nope they're coming this way. Ha, ha! They can't trace our line. They can't fine us. They can't catch us.

Ha, ha! Yes they can . . . and they will.

106-105-106

Any more football classics, and we'll join those exuberant folks at the "happy farm" who cheered and cheered last week's loser.

Of five schools in the Herald circulation area, all five are in regional or bi-district competition.

WE PREDICT . . .

Cameron will win over Bellville by a touchdown, Buckholts will edge Milano by eight points and O. J. Thomas (playing Wednesday night) will beat Cleveland Douglass by two touchdowns.

No crystal balls, only predictions. There's only one game we can gain anything by being wrong and that would be Milano who, like any district champion, would forgive a bad guess if it meant they won.

Happy Thanksgiving!

Toys For Tots

JC's Plan Christmas Project

Cameron Jaycees will again donate their free evenings and weekends to repairing and painting Christmas toys for Cameron's needy children.

Jaycees are asking for reparable toys for the project which last year made Christmas brighter for about 250 Cameron children.

Rev. Paul McCallum, Cameron Junior Chamber of Commerce President, asked that toys be taken to Cameron Lumber Company at 315 South Houston or call Charles Chandler at OX 7-2411. He said an additional collection center would probably be announced next week.

Wagons, tricycles, bikes, dolls, any type of pull toys, etc., that young children have outgrown or tired of are needed to make the Toys for Tots project a success. Many Cameron residents find this a good time to clear out attics, playrooms and garages with the added knowledge that they will be helping others enjoy the Christmas season.

Chandler said a cash donation made to the Jaycee project last year had provided a number of toys. He added that cash donations were welcome and helped fill in where donated toys were not available for certain age groups.

The Toys for Tots program was started by the Cameron Junior Chamber, but was dropped when the organization disbanded in 1953. In 1963 Lloyd Rider took on the project and with the help of interested citizens provided toys for more than 250 children.

The newly organized Cameron Jaycees took the project over last year, donating time and materials to repair and repaint toys.

Chandler said, "It is heartwarming to know that you have helped in a project that brings happiness to so many children and we hope that everyone in Cameron will join us in providing toys for children in our city this Christmas."

Civil War Widow Dies, Rites Mon.

Mrs. Willie Carleton, 99, died at 7 p.m. Monday in a local hospital. Funeral services were at 3:30 p.m. Tuesday from the Marek-Burns Funeral Home with Rev. Bob Wimberly and Rev. William B. Waldrop officiating. Burial was in Corrinth Cemetery.

Mrs. Carleton, widow of a Confederate veteran, was born July 28, 1876, in Clark County, Miss. She lived in the Ad Hall Community for 80 years before moving to Cameron five years ago. She was a charter member of the Buckholts Baptist Church.

Survivors are her sons, Victor H. Carleton and Luther Carleton, a half sister, Mrs. Myrtle Sockwell of Midland, three grandsons and five great-grandsons.

Pallbearers were Harold Love, R. J. Woodward, Dr. Gus Evans Jr., Morris Evans, Bassel Wilson and Roy Hensley.

New Homes For City Businesses

Extensive remodeling of buildings in the 200 block of S. Houston is now underway. The buildings which formerly housed Anderson TV and Mitchan Motor Co. are being remodeled by Albert Hajovsky for his new Western Auto Store and Schigut's will occupy the former Exchange Furniture building.

John Schigut said his new store would be open before Christmas. The Roman brick and glass exterior will be completed with the addition of an aluminum awning this week. Interior appointments include a tile floor, dropped acoustical ceiling and strip lighting. The building will be completely air-conditioned.

Hajovsky said remodeling of his buildings would probably be completed after the first of the year. The buildings will house his Western Auto Store and Service Center.

Plans for the exterior include a 60 foot glass front and face brick with a tile floor and suspended ceiling in the store area. Hajovsky said the new building would also be air-conditioned.

Matula Construction Co. is contractor for the Western Auto remodeling.

Herald Seeks Data On Viet War Vets

The Herald invites parents or relatives of all Vietnamese Campaign veterans to submit their names, branch of service and other data for a major feature being developed for publication.

This invitation is extended to families of service personnel throughout the county. Additional material is being developed on the Vietnam War's impact on Milam County from other sources.

Address any information to: The Cameron Herald, 108 E. First St., Cameron, Texas: ATTN: Service Editor.

Decorations Readied

Parade Opens Yule Season

Churches, clubs, schools, organizations and business firms have been invited to enter Cameron's annual downtown Christmas parade.

The event to be held at 3 p.m. Saturday, Dec. 4, will follow a religious theme this year. A Saviour is Born will be the parade theme and competing entries depict any event in the life of Christ.

Rev. Bowley said entries will be judged on theme, creativity and originality of conveying idea, workmanship and appearance. Entries impersonating Santa Claus will not be eligible or judged for an award, he said.

Winners will be announced at 4:30 p.m. Saturday on the Courthouse lawn and awards will be presented at that time. First and second place winners will receive an engraved trophy and the third place winner will receive an engraved wall plaque.

"We can already see that our parade is going to be one of our best," Chairman Bowley said. "To date we have registered 6 floats of which 4 have not participated in recent years." Rounding out the parade line-up will be bands, new car dealers, implement and equipment dealers and some marching units.

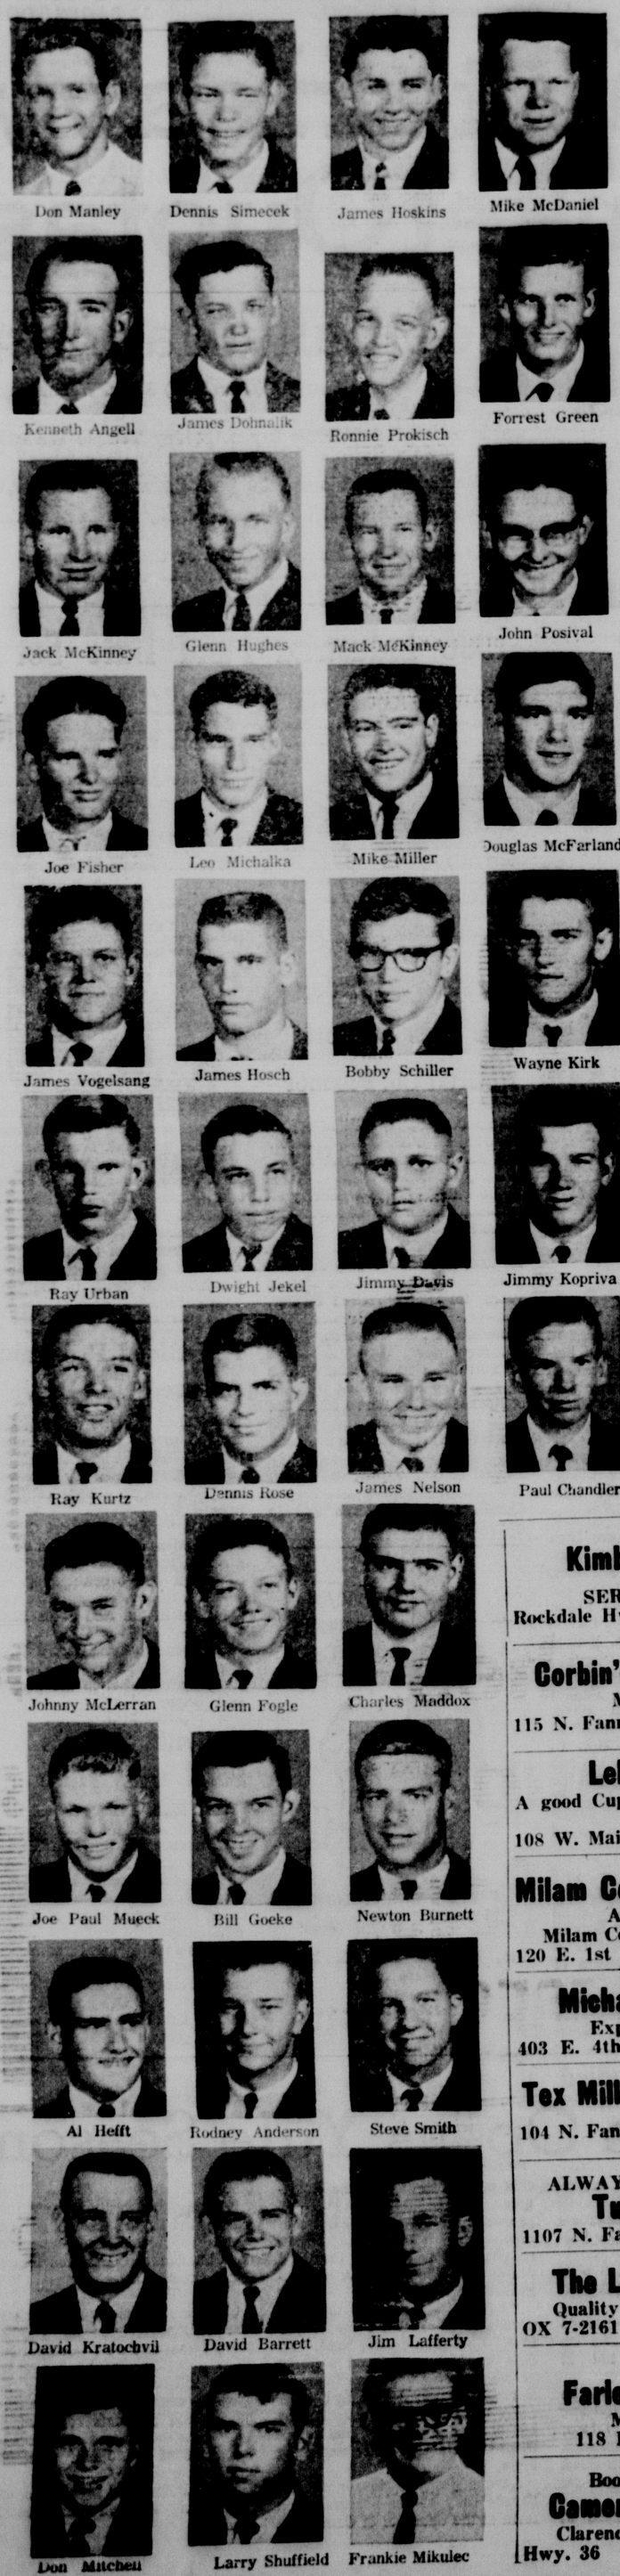

Anyone desiring to enter the parade may obtain a registration form at the Chamber of Commerce office.

Christmas decorations will be put up before the parade according to Bill Crockett, chairman of the Chamber of Commerce Decorations Committee.

City decorations will include new garlanded bells as well as refurbished street decorations from previous Christmas seasons which have been completely reworked. Lighting has been repaired and garlands replaced by Crockett's committee assisted by members of the Junior Chamber of Commerce.

Texas Power and Light Company will string and wire the decorations.

Cancer Films Available For Clubs, Organizations

Mrs. Bob Wells, Public Education Chairman for the Milam County Unit of the American Cancer Society, has announced that films on cancer are available to local clubs and organizations interested in having a program on America's number two killer disease.

Films available include "Breast Self Examination" which shows the simple technique of checking for unusual lumps or thickening in the breast, "Time and Two Women" which deals with uteirne cancer, and "Life Story," a film about the diagnosis of cancer of the colon. "Man Alive," a cartoon feature, is a general film showing Cancer's Seven Danger Signals. "Smoking and You," an adult film, shows the relationship between smoking and various lung diseases including cancer.

A physician attends showings of these films and answers questions from the audience.

Also, the ACS will be glad to show adults the films the Cancer Society has produced to educate students about the hazards of smoking. We know the parents would like to know what their children are being taught about smoking and health.

Groups who wish to schedule a Cancer Society film should contact Mrs. Bob Wells at Box 748, Cameron, Texas.

Parents Influence Money Attitude Of Their Children

COLLEGE STATION

Your attitude toward money is likely to influence the attitude which your small children will acquire, reminds Mrs. Doris Myers, Extension home management specialist at Texas A&M University.

Boys and girls iears attitudes concerning making and receiving money and its use from their parents Values and goals of the parents, in all probability, are the ones the children acquire, the specialist says.

"Young people must have experience to develop a philosophy and pattern of spending. They must have money for necessities as well as for extras. Children grow in ability to manage money by making choices in the way it is used, but this cannot be learned in one easy lesson," Mrs. Myers emphasizes.

If your child has an allowance or has a job that pays some money, he will have the opportunity to learn. If you dole money out to your child as he requests it, he should have some freedom in the way it is to be spent and to be able to learn to make wise choices.

When a child first begins to handle money, limits should be set so that not enough money will be involved to make him too unhappy when he makes a mistake in judgment. Children need to learn early in life before a poor choice or a wrong decision could become a major disaster.

Help your children to know that there are some expenditures they should make and that they have obligations to themselves and to others, Mrs. Myers suggests.

RehabilitationCenter Opens In Temple

TEMPLE

The new Bell County Rehabilitation Center at 2000 W. Marland Wood Road will be dedicated in Temple at 3 p.m. Sunday, Nov. 28.

Open house for the $90,000 treatment center for crippled children will be held immediately after the brief dedication program. The center will be open to the public until 6 p.m.

Funds have been donated by the public and the Temple Lions Club, which earmarks a major share of its annual fund-raising projects to the center.

There Are Beneficial Insects, Too, Say Entomologists At Texas A&M

COLLEGE STATION

Insects which destroy desutructive pests are commonly known as beneficial insects, and may become even more important in Texas cotton fields, say entomologists at Texas A&M University. R. L. Ridgway, A&M based entomologist with the Entomology Research Division of the USDA's Agricultural Research Service, says "evidence continues to mount to support the importance of beneficial insects and spiders in regulating bollworm and tobacco budworm populations."

Ridgway said laboratory work during the past two years has studied ten different beneficial insects. With a constant supply of the cotton pest eggs and larvae to feed upon, the various predators could destroy from 5 to 100 pests per day. He emphasizes, however, that laboratory conditions were unlike field conditions where the predators have to spend time searching over the plants for their prey.

In a field-cage test, however using 6 x 6 x 6 x 36 foot cages and no insecticides, the insect predators gave a remarkable 99 per cent control of the offspring of 12 pair of tobacco budworm moths.

During the past season's field studies, in two differnet locations, the phenomenon of increasing numbers of pests were apparent as the number of predators were decreased.

Some of the beneficial insects studied were the flower bug damsel bug, big-eyed bug, assasin bug and the green lacewings, plus Lady beetles, red cross beetles and spiders. Ridgway says spiders may have a more important role as a beneficial insect in cotton fields than has been previously noted.

The study of beneficial insects has been done in connection with other research on systemic insecticides. Systemic insecticides, he said, are designed to work from the inside of the cotton plant and be effective on plant-feeding insects. Many of the systemics are selective and will kill only certain insects.

VIET-NAM

Airman Second Class Dan W. Brashear, son of Mr. and Mrs. J. W. Brashear of 506 W. Seventh, Cameron, is now in Viet-Nam in the fight against Communist aggression.

Airman Brashear is an air pol-

iceman in the Pacific Air Forces which provides air offensive and defensive units in Southeast Asia, the Far East, and Pacific.

The airman is a 1962 graduate of C. H. Yoe High School.

USS RANGER

Navy Commander William L. Woods Jr., son of Mr. and Mrs. William L. Woods of Milano, is patricipating in the U.S. First Fleet's training exercise "Range Bush" Nov. 18-24, while serving aboard the attack aircraft carrier USS Ranger.

The week-long exercise off the coast of Southern California involves ships of the First Fleet and several naval air units, comprising "friendly" forces, in aerial reconnaissance, anti-air and anti-submarine warfare operations against the "enemy" air, surface and sub-surface units portrayed by other Navy units. The exercise will increase the combat readiness of the First Fleet.

SAN ANTONIO

Airman Carroll E. Plachy, son of Mr. and Mrs. Leo Plachy of 1607 N. Houston, Cameron, has been selected for training at

Sheppard AFB, as an Air Force communications specialist.

The airman, a graduate of C. H. Yoe High School, recently completed basic training at Lackland AFB.

On Monday night, November 22, at 8:30 p.m. Miss Prescellia Dawn Mills became the bride of Mr. Eddie Norris Allison at the Liberty Community Church with Rev. Harrison McLerran officiating.

Their attendants were Miss Gloria Mills, sister of the bride, and Mr. Michael Allison, brother of the groom.

Miss Mills is the daughter of Mr. and Mrs. Odie Mills of the Liberty Community. She is a graduate of Milano High School.

Mr. Allsion is the son of Mr. and Mrs. Eddie Allison of the Marlow Community. He is a graduate of Choctawhatches High School in Shalimar, Fla., and recently completed four years in the U. S. Air Force.

The couple will make their home in Freeport where Mr. Allison is employed with Dow Chemical Company.

History Club Dons Artist Smocks For Program OnPainting

The History Club met at the home of Miss Louise Green Tuesday afternoon for a program on painting.

Individual tables with easels and assorted paints and brushes were set up and objects grouped at vantage points for club members to paint the scene of their choosing. Miss Karen Franke assisted Miss Green with the program and painting session.

A social hour followed with refreshments served from the dining room. The hostess served chicken a-la-king in pastry shells, salad, cake and punch. Assisting her were Mrs. John Martin and Mrs. Graham Gillis.

'Thanksgiving' Is Program Subject For Delphian Club

Miss Mary Randolph entertained members of the Delphian Club and one guest, Mrs. C. H. Brown, in her home Tuesday, Nov. 16.

"Thanksgiving — Past and Present" was the subject of the guest speaker, the Rev. J. E. Lafferty.

Rev. Lafferty brought thoughts portraying the truth that our forefathers, from the time that Thanksgiving Day was first observed, have continued the custom through years of prosperity and those of serious crises. Rev. Lafferty credited this loyalty and faith as the basis of our freedom and maintenance of a Christian nation.

Mrs. Grabein presided at the business meeting.

Refreshments were served in the dining room. The table, laid with linen runners which were decorated with hand-painted autumn leaves, was centered with an arrangement of fruit and flowers. Squares of congealed salad, cookies, candy, olives, and nuts with coffee and tea were enjoyed.

Mrs. Strickland served the salad and Mrs. Lafferty presided at the silver service.

The club will meet with Mrs. Albert McCullin Sr. on Tuesday, December 21. "Growth Through Knowledge of Christmas Music," will be the theme and Mrs. E. J. Burkes the leader.

Glasgow, Scotland Visited In 3 Arts Program Thursday

Scotland, famed for its woven and knitted woolens, was the subject of the Three Arts Club program when they met last Thursday at the home of Mrs. Gus Evans Jr.

Mrs. George Kirk gave some of the historical background of the Scottish woolen industry and described the age-old procedure for hand-weaving the Scottish tweeds. Assisted by Mrs. Don Humble and Mrs. Kirk, members had a brief knitting lesson and then viewed hand-knitted apparel displayed in the Evan's den.

Pecan tarts, assorted pastries and coffee were served in the dining room with Mrs. Dana Kestenbaum presiding at the silver coffee service.

Bids Asked For PO Building At Milano

The Post Office Department is seeking competitive bids to build and lease the new post office building at Milano, Postmaster General Lawrence F. O'Brien has announced.

Under the Department's Lease Construction Program, the site selected at the north side of Main Street (also known as Avenue E), a short distance west of the present post office quarters, will be assigned to the successful bidder, who will purchase the property, construct the building according to departmental specifications and lease it to the Post Office Department for a basic period of ten years, with options to renew the lease for an additional twenty years.

Bidding documents are available from Carl P. Seale, Real Estate Officer, P. O. Box 167, Houston, Texas 77001. He will supply bidding forms, building specifications, and other pertinent information.

Outdoors In Texas

By Vern Sanford

Many a hunter has left a deer to rot in the woods simply because he failed to check to see if his bullet hit the target.

Usually a deer falls or at least humps when struck by a high-velocity bullet. But there are many instances where mortally wounded deer ran spritely off after the shot, and didn't fall dead for as much as 100 yards. By then has disappeared from view.

In his new book "Hunting the Whitetail Deer," Russell Tinsley points out that it is the obligation of every hunter to check thoroughly to determine whether or not he missed.

Even though no blood may be present, a bullet-struck deer always leaves a calling card. A bullet will knock loose some hair. With a little experience the hunter actually can determine where he hit the deer solely by the type of hair left on the ground.

This is one of many facts covered in Tinsley's new 144-page book.

The author, who is outdoors editor of the Austin American-Statesman, was raised in the small hill country community of Mason, in the very heart of Texas' prime deer range. He bagged his first deer when he was nine years old and has missed very few seasons since getting that initial whitetail.

"Hunting the Whitetail Deer" is published in a hardcover edition ($3.95) by Harper & Row.

Tinsley comprehensively covers all phases of deer hunting. He gives some background on the whitetail deer in the opening chapter then delives into such things as rifle and sight selection, bullet placement, equipment, stand and stalk hunting, hunting the storm fronts, advanced deer hunting, field dressing the deer and caring for and cooking venison.

Also he discusses bow hunting and preserving the trophy There's even a chapter on that dreaded thing called buck fever.

In his chapter on selecting the rifle, Tinsley points out that while there is no "best" deer rifle, his vote is for either the .243 Winchester or the 6 mm. Remington. He points out that these rifles shoot flatter and have more velocity. This means more knock-down power and surer kills.

As for a sight on the rifle, Tinsley recommends the telescopic sight.

Milam Co. Cancer Society Sets Up Memorial Fund

In response to numerous requests from families and individuals, the American Cancer Society has inaugurated a memorial fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

"Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society, and a memorial card is sent to the family stating that a memorial gift has been received and giving the name of the donor. "These contributions may be in any amount," said Rev. E. S. Strickland, Treasurer and Memorial Chairman, of the Milam County Unit. "Memorial funds are used to support the Society's three-foid attack on cancer through research, education, and service," explained Rev. Strickland.

"Although the major source of funds for this program comes from the Society's annual April Crusade, memorial funds received through out the year are becoming increasingly important to the Society as more families and individuals become aware that they can contribute to the ultimate victory over this dread disease."

Rev. Strickland also explained that the American Cancer Society is deeply grateful to individuals and families through out the county who are using this practical means of assisting the Society to carry on the fight against cancer.

Memorial funds should be sent to the American Cancer Society, Milam County Unit, 505 East 6th Street, Cameron, Texas.

County Agent's Notes

Show Benefits Pecan Growers

By J. D. Moore

Pecan growers of Milam County are urged to select samples of their pecans for an entry in the county Pecan Show to be held in Cameron on December 11.

A quart of pecans is considered an entry. Antone Anderle, Chairman of the Show, suggests that the pecans be entered in a plastic bag for convenience in handling. The grower should place the following information on a card inside the container: Grower's name and address, variety if known and location of tree. Entries may be left with Mr. M. S. Pugh in Rockdale, Anderle Lumber Company or the county agent's office in Cameron. The county agent will pick up entries for anyone not able to deliver them, if the grower will notify the extension office.

All entries should be entered by 9 a.m. December 10 for convenience in setting up classes, assigning numbers and making ready for judging on December 11. Pecans are judged on shelling per cent, weight, appearance and freedom from defects.

The Pecan Show will be judged by Mr. Fred Brison, former Horticulture Professor at A&M, Jody Worthington and Ronnie Hooks, graduate students at A&M.

U. D. Thompson, Beef Cattle Specialist from A&M, spoke on Nutritional Aspects of Reproduction at the cattle meeting held at the auction barn in Cameron on November 16. Mr. Thompson pointed out that a cow herd may be free of disease and yet have poor reproductive performance. Reproductive performance is due to variation in nutritional level. Proper use of supplements such as protein, energy, minerals and vitamins could hold nutritional level more constant.

Mr. Thompson quoted research test to show that poor nutrition decreases the per cent calf crop in a herd of beef cattle. One test showed a 93 per cent calf crop with proper nutrition as compared to a 78 per cent calf crop from cows receiving poor nutrition.

Livestock sales leads all agricultural enterprises in Milam County with more than five and a half million dollars reported in the 1960 census. Livestock production in Milam County has replaced the major portion formerly devoted to truck farming and a considerable acreage in cotton and corn areas. Livestock fits very well into a diversified farming area and contributes extra revenue when local grown feeds are fed to livestock. Also less labor and equipment is necessary for this type operation.

Area Shaping, Sodding On 2 County Farms

Among the most impressive conservation work completed this year in Central Texas Soil Conservation District is the critical area shaping and sodding on the Buster Griffin and Anton Vrazel farms in the Yarrelton Community. Both of these farms were cut by deep eroded gullies that had defied various control efforts for many years. These gullies were hard to cross, contributed silt downstream and marred the beauty of the community. Through the cooperative efforts of these landowners and the public the above problem has been corercted.

Both Griffin and Vrazel made the greatest contribution to correcting this problem in the form of capital and a lot of hard work. Their gain will be more land to use, more returns and less maintenance expenses. The public made its contribution through technical assistance furnished by Soil Conservation Service and cost-share assistance administered by the local ASCS office. Benefits to the public are such things as less stream pollution caused by silt, increased income, increased land values, wildlife protection and added beauty to the countryside.

SCD Supervisors and ACP Committees are encouraging more work such as this. They will be directing their programs to help not only the landowner but also the public.

W. Stigall To Head Co. Cancer Society

William Stigall of San Gabriel was elected president of the Milam County unit of the American Cancer Society during an executive board meeting held November 8 at the Meadowbrook Baptist Church in Rockadel

Mr. Stigall is active in the civic affairs and church in his community. He is a businessman and lifelong resident of the county.

Stigall succeeds the Rev. Ben Russell who has recently moved from Rockdale. Other officers: Estell Johnston, vice president, Mrs. Shelby Smith Jr., secretary, the Rev. E. L. Strickland of Cameron, treasurer.

4—H CLUB NOTES

By Ronald L. Bailey

The St. Anthony 4-H Elictric Club held a meeting Thursday, November 18, at 7 p.m., in the county agent's office. The purpose of the meeting was to teach the 4-H'ers how electric bells and buzzers work. This was accomplished by the help of Mr. W. C. McCoy, Texas Power & Light representative. Each 4-H'er put a bell together and wired it up so it would work.

Mr. McCoy explained how an electric bell works and drew a diagram showing how to wire the bell. All 4-H'ers received a bell and they wired them up to run on a battery or used a transformer and ran them on a 110 volt wire.

The next meeting will be Thursday, Jan. 20, at 7 p.m. in the county agent's office. The purpose of this meeting will be to build an indoor planter box using electric heat.

The joint HD Council meeting was held at the W.O.W. Hall in Rockdale. The HD Club presidents made their reports: Mrs. J. B. Sapp of Cameron HD Club, Mrs. Graham Young of New Salem HD Club and Mrs. Billie Noack of the Rockdale HD Club.

The 1966 Bylaws were approved. Mrs. Joe Brown, acting chairman, presented the new slate of officers for 1966 as follows: Mrs. Graham Young Sr., Chairman; Mrs. Lillian Nelson, Vice Chairman; Mrs. Ida Mae Johnson, Secretary, and Mrs. Hardy, Treasurer. The Council voted them in.

The Pecan & Food Show committee met on November 18 in the Extension office and made additional plans for the December 11 Show in Cameron.

The theme was set up and letters were written to countywide Home Economics girls, 4-H'ers, HD Club members, B&PW Club women, and past participants in the Food Show, to help encourage participation in this year's Pecan & Food Show.

The Chairman of the Pecan Show is making arrangements for an appropriate building for the Show.

Proceeds from the sale of products of the Food Division of the Pecan & Food Show will be used to pay the expense of the Food Show. The remainder of the money will be divided among the HD Clubs participating since this is the annual fund raising activity for their clubs.

A countywide Recreation Workshop was held on November 16 for 4-H and HD Recreation Chairmen.

Mrs. Joe Brown, Recreation Chairman, the CHDA and Jr. Ass't CHDA gave leadership at the workshop. The recreation for each club meeting in 1966 was planned for both HD and 4-H. Those present were: Mrs. Andrew Jenkins of New Salem HD Club, Mrs. Helen Boyd of Rockdale HD Club, Mrs. Joe Brown of Tracy HD Club and Deborah Stephens, Peggy Stephens, Mrs. Boyd Stephens, Stepiandie Boyd, Terry Drummond, all of the Rockdale 4-H Club.

This Recreation Workshop was jointly sponoerd by the HD and 4-H Council.

Bi-District Champions Clash In Cameron Sat.

The Buckholts Badgers take on the Milano Eagles Saturday at Cameron's Yoe Field in a bi-district clash. The Badgers are undefeated and the Eagles' only loss was the season's opener with Buckholts by the score of 44-36.

Tickets for the Bi-District Championship game are on sale at both schools and at the Chamber of Commerce office in Cameron. Admission at the gate will be $1.50 and advance tickets are $1.25. Student tickets are $.50. No reserve tickets will be sold, according to school officials.

Game time is 7:30 p.m.

Star for the Buckholts Badgers is Calvin Shenkir, who has scored 24 touchdowns this season. He also accounted for 34 PAT points. He has scored a total of 178 points so far this season, for an average of 22 points per game, 2 points better than the opposition has scored each game. The Badgers have run a total of 452 points for a 50 point average.

Other big scorers for the Badgers this season are Larry Kudlacek, senior end, with 13 touchdowns and 6 PATs, Tommy Gresak, senior halfback with 56 points to his credit, Don Glaser, senior quarterback with 32 points, Larry Shenkir, junior end, 24 points, Kenneth Marek, sophomore halfback, 18 points and Jesse Mendoza, junior halfback and Steve Matthews, sophomore halfback - end, 12 points each.

Winning the last 20 games in a row the Badgers have brought home two district crowns.

The Milano Eagles have had a good season scoring 478 points and allowing the opposition only 136 points. Allen Woods, starting quarterback, is a taree-year letterman who throws the ball well and is a fast runner. Will Jones, halfback, has speed, throws the ball well and can be expected to see a good deal of action Friday night. Halfback Algie McGowen is a strong runner, has two letters from Aycock High in Rockdale and will be depended upon to do much of the offensive work. George Bankston, one of the best pass receivers on the team, is also a good blocker.

The probable starting line for the Eagles is ends, Philip Lopez and Don Wyatt, halfbacks Will Jones and Gene Malone, center George Bankston and quarterback Allen Woods.

The Badgers will have Don Glaser at quarterback. Larry Shenkir and Tommy Gresak at halfback, end Larry Kudlacek and Larry Shenkir and Frank Tomascik at center.

Perrin Is No. 3 Gainer For UT Freshman Team

Mike Perrin, Yoe High School's 1964 All-American star, has been running [illegible] this season for the University of Texas freshman football team, The Yearlings.

Perrin is the No. 3 ground gainer for the Yearlings who ended their season on the winning side Saturday when they defeated the Texas A&M freshmen 26-21. The season record is 4 wins, 1 loss.

He has carried the ball 32 times for 157 yards. That's 4.8 yards per carry. His longest gain on a single carry was 35 yards going across the goal-line for a touchdown against Baylor. He also kicked for 20 yards and intercepted a pass for a gain of 19.

Perrin had a glittering football and track record with the Cameron Yoemen. He was selected Most Valuable Player for the Quarterback Club trophy in his junior and senior years and District 17-AA coaches named him defensive linebacker on the All-District team both years.

Perrin's highest honor came last year when Coach and Athletic Magazine named him a High School All-American for scholastic and grid achievements.

Mike is the son of Mr. and Mrs. Frank Perrin, Cameron.

OJT Bulldogs Meet Douglass For Bi-District

Cameron's O. J. Thomas, 7-A District champion, was soon to take the field after presstime Wednesday evening to meet the Douglass Dragons, of Cleveland, Champions of District 6-A in a bi-district clash. Game time was 8 p.m.

Playing their first bi-district contest in the school's history, the Bulldogs faced a Douglass team that brought a 7-3 record to Yoe Field, site of the playoff.

The Bulldogs won their first 7-A district crown two weeks ago when they defeated Calvert for the title clincher.

Representatives of the two schools met last week and O. J. Thomas won home team honors.

O. J. Thomas offensive team starters are: quarterback Fred Kelley, fullback Willie Holloway, halfbacks Leonard Knight and Larry Ray, center Curtis Rose, guards James Griffin and Dennis Poole, tackles Edward Aycox Jr., and David Fillmore, and ends Niley Rosemond and Eddie Stephens Jr.

Douglass probable starters are: quarterback Donald R. Sturns, fullback Benny Lee, halfbacks Joe Robertson and J. C. Charles, center Willie Jackson, guards Herman Bass and Curtis Clark, tackles Calvin Ellison and James Brown and ends Donald Sturns and W. Limbrick.

Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around — stalling at stoplights and coughing and chugging halfway into town.

That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area — including a special additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling.

You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new cars and restore lost power and mileage to many older cars.

Switch to the Tiger and get that nice warm feeling. *Happy Motoring!*

Yoemen Smash Ducks

By Eddie Huntsman

"How sweet it is," is a saying made famous by a Hollywood personality. But after the bi-district game in Taylor last Friday night, the Cameron Yoemen just might apply for a copyright on it. The third ranked Yoemen smashed the 15AA district champs by the score of 33-7. The ground-minded Yoemen racked up a total of 346 yards rushing to win this game and advance to regional where they will meet the Bellville Brahmas Friday night in Temple.

The Yoemen won the toss and chose to receive the ball. James Hoskins returned the ball to the Cameron 27. From there it took 7 plays for the Yoemen to score their first touchdown.

Mike "Bull" McDaniel gets 3 yards on the first play from scrimmage. Mack McKinney gets 10 yards out to the 40 yard line and a first down. Again McKinney runs and picks up 5 yards to the 45. Then halfback James Hoskins rambles for 29 yards and a first down on the Duck 24. McDaniel bulls to the 7 yard line then adds 3 yards to the 4. And with 9:05 left in the first quarter McDaniel gets the first Cameron touchdown on a 4 yard plunge. The extra point try was blocked by Donnie Zachary and the Yoemen led by the score 7-6.

The Taylor Ducks return the ball to the 24 but are forced to punt after 3 attempts for a first down. Mack McKinney tries to field the high punt but can't find the handle and the Ducks recover on the Cameron 30.

Taylor's Percell Gault gets the call and is brought down for a 2 yard loss. Gault again fires to gain some yardage and is stopped for no gain. A five yard penalty on this play puts the Ducks back to the 29. Benny McCuk tries a pass but it falls short and incomplete and another pass also goes incomplete. McCuk passes to Kenny Baldwin for the lone Taylor touchdown. The point after is good and the Ducks have a slim 7-6 lead over the Yoemen.

James Hoskins returns the kick-off to the 25. The first play goes to Hoskins who is tackled for a 4 yard loss back to the 21 Mack McKinney tries the end run and is brought down for no gain. McKinney comes back with the same play and is brought down after a 3 yard pickup. With this the Yoemen punt. Bill Gocke toes the ball 43 yards to the Taylor 33.

Gault gets the call and is stopped for a 2 yard gain. A 5 yard penalty on the Ducks moves the ball back to the 28. Gault picks up 2 more yards in 2 plays. Then a quick kick by James Zvonek sets the Yoemen back to their own 8 yard line. McDaniel picks up 6 yards to the 14. James Hoskins gets 4 more yards to the 18. On this play the quarter ends with the Ducks leading 7-6.

James Hoskins runs for another 8 yards out to the 27. Manley gets 5 yards and 7 yards in 2 plays. From the 41 Mike McDaniel goes to the mid-field stripe. James Hoskins is stopped for no gain. Hoskins tries again and gets 3 yards to the Taylor 47. McDaniel rams down to the 34 for a 6 yard gain. Then McKinney goes 6 yards. Doug McFarland picks up 6 yards to the 18 and a first down. McKinney gets 11 yards to the 7. "Bull" McDaniel goes to the 5 for a 2 yard gain. McFarland gets the second Yoe touchdown with a 5 yard plunge. A pass from QB Mack McKinney to end Eugene Zalesky for 2 points is good. With 5:42 left in the half the Yoemen lead again, 14-7.

Gault returns the kick-off to the Duck 45. First play gets 5 yards then a pass from McCuk is intercepted by McKinney and returned to the Duck 42. Hoskins goes to the 40 and is tackled by Clark. Again Hoskins gets the call and is stopped for a one yard gain. A pass to Wayne Kirk is good and the Yoemen are stopped on the 14 yard line. McDaniel powers his way to the 8. With 2:19 left in the half, halfback Donald Manley scores the TD. The points after fail and the Yoemen lead 20-7.

The Yoemen kick-off and the Ducks' Kenny Baldwin returns the ball to the 31. Mohel loses a yard back to the 30. The next play nets 14 yards to the 44. Mohel again moves the ball well and picks up 5 yards to the 49. Then a long pass to Leroy Kolinek is good and is brought down on the Cameron 26. Marcus Heierman gets the call and picks up 6 yards to the 20. Donald Manley intercepts the next pass and kills the Duck drive. The half ends on the next play with the Yoemen leading 20-7.

The second half kick-off is taken by Taylor and returned to the 36 by Baldwin who moves for 6 yards and is tackled by Manley. Marcus Heierman is tackled by Fogle after an 8 yard gain. A Duck pass attempt falls incomplete. Benny McCuk runs to the 47. No gain on the next play when McKinney recovers a Cameron fumble. Doug McFarland gets 5 yards to the 42. With fourth down and a few feet the Yoemen gamble and loss the ball. Gault goes for a yard and is tackled by McDaniel. Marcus Heierman is stopped by McDaniel after a 3 yard gain. Wayne Kirk pulls the Ducks back on the 49 where they are forced to punt.

Cameron starts action on its own 34. Manley gets one yard to the 35. Michalka gets 2 yards. Then James Hoskins tries a pass to quarterback Mack McKinney but the pass is long and the Yoemen punt. The ball comes to rest on the Taylor 20 for the Ducks. Baldwin goes to the 25 for a 5 yard pickup. Two plays later net a first down. A 12 yard run to the 43 is made by McCuk and the Ducks have another first down. A pass is next and Donald Manley intercepts and returns to the 40. Ten yards is made on the first play and the Yoemen have a first down.

Manley goes to the 43 for a 7 yard pickup. "Bull" gets 8 yards to the 35 and the third quarter ends with the Yoemen leading, 20-7.

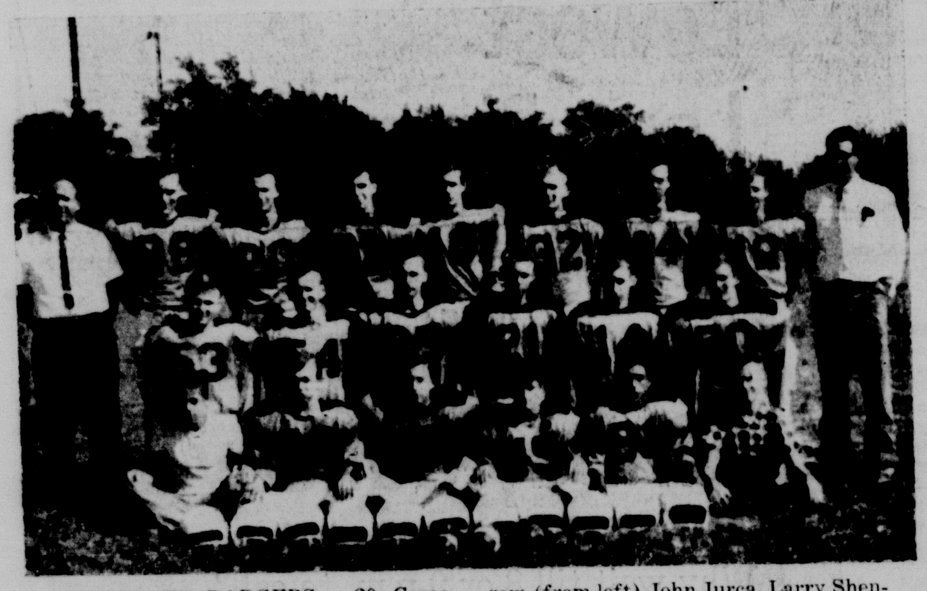

McKinney goes to the 23 and a first down. Green gets the ball and is stopped on the 23 for no gain. Again Green has the ball and moves to the 19 for a 4 yard gain. Mack McKinney rolls out and runs 19 yards for the TD. The extra point try fails and with 11:05 minutes left the Yoemen are ahead, 26-7.

Taylor fumbles the kick-off ball and Forrest Green recovers for Cameron. So, Cameron starts again on the Duck 38. Don Manley moves the ball to the 20. McDaniel gets 5 yards to the 15. McFarland goes to the 13 for a 2 yard gain. McDaniel picks up 6 to the 7 yard line. Manley carries to the 5. Forrest Green gets the final Yoe touchdown with 3:16 left in the game. The extra point is good and Cameron holds a commanding lead, 33-7.

The remaining minutes are a series of passes by Taylor and reserves running the ball for Cameron.

BADGERS SCORE 27-0 TO TAKE DISTRICT CROWN

The Buckholts Badgers, undefeated and untied in two straight seasons, will lay it on the line against the Milano Eagles Saturday night at Cameron Yoe Field. They won district 11-B last week in defeating the Jarrell Cougars, 27-0.

Jarrell won the toss and elected to receive the ball. But after 3 downs they were forced to punt. The punt traveled only 18 yards and the Badgers took over on their own 28.

The Badgers moved out to the 33 but after three downs were forced to punt. This punt carried 8 yards and the Cougars took possession of the ball at their own 39.

After forcing the Jarrell team to punt, the Badgers scored on a 25-yard pass from Tommy Gresak to Larry Kudlacek, which capped a 52-yard drive. Calvin Shenkir kicked the extra points and Buckholts led, 8-0.

The Badgers scored again in the second quarter on an 8-yard run by Calvin Shenkir. The PAT failed and the Badgers led, 14-0.

With a few seconds the Cougars drove to the Badger 2-yard line, but time ran out and Buckholts led at the end of the half, 14-0.

In the third quarter the Badgers drove 32 yards in 3 plays and scored their third TD on a 9-yard run by Calvin Shenkir. The extra point failed and the Badgers led, 20-9.

Also in the third quarter the Jarrell team scored a touchdown, but it was called back because the ball carrier had stepped out of bounds. Late in the game, Shenkir again scored a touchdown on a 46-yard run when he scooped up a Jarrell fumble in the air. Larry Kudalcek passed to James Janes for the extra point and the Badgers won, 27-0.

Rogers Scores In Last Seconds For 6-0 Victory Friday

Rogers broke a no score ball game with Mart Friday night when end Ray Schwertner crashed into the end zone on a six yard pass from David Sebek with only 52 seconds left in the game.

Rogers led in penetrations but couldn't cross the goal line until the final seconds. Sophomore FB Mike Mayfield picked up 120 yards on 24 carries and QB Sebek had 110 yards on 10 completions.

Rogers' defense held Mart's star tail-back Billy Hyden to 34 yards on 13 carries. Most of Mart's yardage came on two pass plays to Hyden, a 39 yard throwback in the third quarter and a 46 yard screen pass on the last play of the game.

Regional Scrap Set For Temple

The Cameron Yoemen take on the Bellville Barhmas this coming Friday night in Temple at Wildcat Field in the headline game of the week.

The undefeated Yoemen are ranked fourth in state Class AA and the Brahmas hold down the third spot. The Brahmas have lost only one game this year, to Brenham by the score of 7-6. Last week they slipped by LaGrange in a bi-district game, 17-0, while the Yoemen overpowered the Taylor Ducks, 33-7.

The Brahmas have run up 238 points in 11 games giving them an average of 27 points per game.

Probable starters for the Brahmas are Glenn Kaase at quarterback, Bill Knolle, tailback, Edward Burleson, wingback Ted Koy, fullback. Up front they have Glenn Tegeler at center, Daniel Eckermann and Bill Hatton at guard, Mike Strauss and Jerry Jasek, tackles, Ronnie Rudloff and Stanley Jackson, ends. Head coach is Duane Dean and assistant coaches are Robert Charpiot, Gerald Jolly, Richard Acebo and Floyd Wienecke.

The Yoemen have a 33 point average in 11 games scoring well over 300 points this year.

Starters for the Yoemen will be Mack McKinney at quarterback, James Hoskins and Don Manley at halfback, Mike McDaniel, fullback, Newton Burnett and Eugene Zaleski, ends. James Hosch and Dennis Rose, tackles, Joe Paul Mueck and Frankie Mikulec, guards, and Eugene Wallace, center.

Coach George Kirk said Eugene Wallace will play this Friday wearing a special protective mask because of a broken nose suffered in last Friday's game.

Rogers, Elkhart Vie In Regional

Bi-district winners Rogers and Elkhart will meet at the new Marlin High School stadium for the regional football match Saturday. Game time is 7:30 p.m. Officials of the two schools met in Palestine Saturday night following the Elkhart-Franklin game to make plans for the regional contest.

The strong Rogers Eagles will face their mightiest competition Saturday. Elkhart with a 9-1-1 season record has scored 227 points and allowed only 40. Rogers boasting a 9-2 season has scored 159 points allowing their opponents only 58.

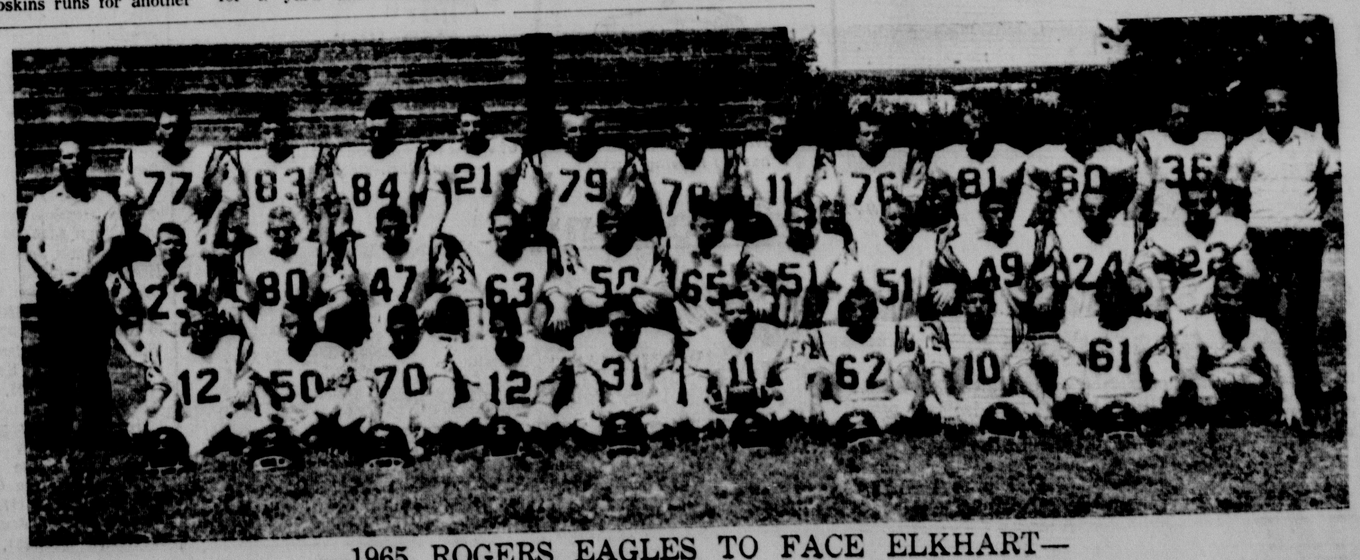

Rogers Coach Donald Godwin told The Herald that probable defensive starters for the Eagles will be David Sebek, QB, Mike Mayfield, FB, Jim Mayfield, TB, Ricky Raley, C, Joe Martinez, C Samuel Deaver, G, Doyle Harris, G, Richard Green, t, Louis Elkins, T, C. J. Sparks, T, and Ray Sulak, E.

Offensive starters are: Sebek, QB, M. Mayfield, FB, J. Mayfield, TB, Harris, G, Green, T, Sulak, E, Ray Schwertner, E, Jim Richardson, T, Bill Sparks, G, Donald Kotrola, C, Clayton Waits, WB.

Primary offensive plays for the Elkhart Elks are the Straight T and Wing T. Outstanding players in the Elks line are Ricky webster, 175 pound fullback, Dwain Harris, 150 pound halfback, John Mosley, 195 pound guard, and Gary Hooper, 265 pound tackle.

Reserved seat tickets will be on sale at the First State Bank, Rogers and the high school office through noon Saturday. Admission prices will be 50 cents in advance for students and 75 cents at the gate. General admission will be $1.25 and reserved seats $1.50.

Rogers will be the home school in the neutral field of Marlin and will use the same sections of the stadium as used last week in the Mart bi-district game, with two reserved sections this week. Superintendent B. F. Harbour cautioned Rogers football fans that there would be a limited number of general admission seats available Saturday night and recommended buying reserved seat tickets in advance.

Welcome, Badgers And Eagles....

Welcome to Cameron and Yoe Field, Buckholts and Milano boosters for Saturday's bi-district clash.

The Herald joins with the citizens of Cameron in welcoming this first Class B Bi-district playoff to your county seat.

It is a classic Milam County contest since both Buckholts (District 11-B champ) and Milano (District 10-B champ) are county high schools vying for the new six-man crown.

The West Milam powers brings a 20-game winning streak that includes this year's 9-0-0 record to Yoe Field where the East Milam Class B power puts a 9-1 record on the line. The two teams met in their first game of the season, and the Badgers edged the Eagles 44-36 in that tough one.

Milam football fans could not find two more high-scoring Class B teams. Buckholts has scored 452 points and Milano 478 points in this fantastic, six-man football.

We are confident the facilities of Yoe Field, home of the Yoeman regional contenders, will serve the crowd promised by the outstanding records of these Milam teams.

This is another clash of outstanding Milam area teams. Cameron meets Bellville Friday at Temple. Rogers goes against Elkhart at Marlin. And O. J. Thomas, of Cameron met Cleveland Douglass in Bi-District Wednesday.

This is indeed the year for Milam football prowess. And the Milano-Buckholts clash is a most welcome example of fine football awaiting the fans of these two schools in Cameron.

We Of The Yoe Go....

There is no question of Cameron's grid strength. In the Bellville-Cameron game Friday night, it will be a question of versatile durability and determination versus a big Bellville club that shares a winning tradition.

Cameron hammered a strong Taylor club into their hard, home turf. The pattern of the Yoemen's ability to wear down opponents in the fourth quarter thus is well established in 11 wins over 10 opponents.

The relentless march of Yoemen halfback drives, Bull McDaniel's rushes and Mack McKinney's finesse and end sweeps will test the strength of a big Brahma line. Bellville's No. 3 state AA ranking, one notch ahead of Cameron, is earned on the strength of a 10-1 season, the only loss to AAA Brenham by a point.

Will Ted Koy and Company, the younger brother of the Texas University great, overpower the lighter, but quicker Yoemen? Or will that Yoe line snap down on the Brahma backs and crack open the big Bellville forwards?

Most everyone in Cameron and Milam County would choose the latter. We of the Yoe go!

PACT To Link Public Services

AUSTIN

Texas' first major state government program for widespread coordination of public service activities is being activated.

Gov. John Connally soon will reveal his initial plans of the project that will "range across the entire spectrum" of governmental services.

PACT, the Planning Agency Council for Texas, was authorized by the 1965 Legislature—primarily to implement the statewide water program. However, Connally wants to broaden its scope inpartments, industrial commission, to many other areas.

Legislation authorizing a central state planning agency cited the need to coordinate state efforts in the fields of water supply, recreation, transportation, highways and other programs financed with federal, state and local funds.

Eight major agencies—health, highway, parks and wildlife desoil conservation board, Texas employment commission, railroad commission and water development board—were designated by the Legislature as members of the initial PACT.

Connally's office was named administrative head of the planning agency and placed in charge of coordinating its activities.

Growth of government and a steadily-increasing number of federal programs requiring attention at state and local levels call for a "monumental endeavor" by public officials, Connally noted.

PRESS CONFERENCE

At a recent press conference Governor Connally said:

—He may ask the 1967 Legislature to again submit to the voters a proposed constitutional amendment calling for four-year terms for certain elected public officials holding statewide offices. But this time not at a special election.

—He would call an early special session of the Legislature if federal court orders require legal action in congressional and legislative reapportionment cases and the suit to repeal poll tax.

—He felt called on to make a statewide pitch for Texas as the site of the $340,000,000 atom smasher, because of the competition among Austin, Dallas-Fort Worth, San Antonio, Houston, Amarillo, Lubbock and Odessa for the key scientific facility. He assured site-seekers from the Atomic Energy Commission that all of the state's resources would be available to support whichever Texas site might be chosen.

MORE ON REDISTRICTING

Next year Texans may be able to elect House members under the new redistricting law.

Atty. Gen. Waggoner Carr will urge a federal court at Houston to let voters elect the members, even though the court may believe flotorial districts are not constitutional.

If the court will allow such action, the 1967 Legislature could pass a redistricting law without flotorial districts.

This year's redistricting law includes 11 flotorial districts resulting in a situation where small counties share representatives with large counties.

Judges believe this discriminates against sparsely-populated counties.

Court could declare the entire law unconstitutional and a special session of the Legislature would be needed to pass a new law.

Except for the flotorial districts, Court indicates new law is constitutional.

AIRPORT AID

Texas Aeronautics Commission is urging cities on the lookout for airport equipment to let them do the looking as part of the government surplus property program that began 14 months ago.

Presently the Aeronautics Commission locates the surplus at military air bases and effects the transfer. Then the equipment is given to needy cities and towns free.

So far, Texas cities have received surplus property worth more than $120,000 for use in the development and maintenance of local airport.

Grants totaling $64,500 have been approved. This money went to Caldwell ($10,000), Comanche ($12,000), Hallettsville ($10,000), Hearne ($2,000), Kountze ($7,500), Lampasas ($8,000), and Pineland ($15,000).

Six others may get an additional $68,000 if they finalize acceptance during the next three months. They are Cameron ($10,000), Clarksville ($12,000), Floydada ($12,000), Gatesville ($12,000), Jacksboro ($10,000), and Post ($12,000).

AG RULES

Trial and state's attorneys fees in Justice of Peace courts are abolished by the new code of criminal procedure, but an offender may be assessed other incurred costs, says Attorney General Waggoner Carr. Opinion was requested by Goliad County Atty. Wayne B. Davis.

In other opinions, Carr held that:

—Law enforcement officers may seize unstamped cigarettes when they have the legal right to arrest a person possessing them.

—Cigarette tax is a valid use levy, and distributing agents must pay and fix stamps to packages before they leave warehouses except on those to be delivered to certain persons designated to sell unstamped cigarettes.

—Person cannot hold office of constable at same time he is deputy tax collector and truant officer of independent school district.

—Lamesa school teacher who spent 10 months teaching in Germany did not lose Texas resident classification for college tuition purposes.

OIL ALLOWABLE HIKED

Texas oil production may hit a six-year high in 1965. This thanks to a jump in December allowable to 31.4 per cent of potential.

December production maximum is 3,084,545 barrels daily, Railroad Commission increased the blowing across a field, I think he percentage factor from 30 per cent for November. Firm markets and low inventories are given as the reasons for the increase.

OLD PHILOSOPHER

Sage Not Sure Taking Politics Out Of Farming Will Do Anything Towards Solving Farm Problem

Dear editar:

According to a copy of The Cameron Hehald which my dog, who is getting kind of old, caught thought it was a rabbit but you'd figure he'd have noticed it tasted different, after he'd gone a few pages at least, anyway, according to it, after I convinced him it had no food value and had a chance to get at oit myself, some U.S. Senators got together and said the answer to the farm problem is to take politics out of farming.

"Take politics out of farming and let the law of supply and demand work and the problem will end," the group said.

I have thought this over and while it's comforting to have the farm problem back in the news, alongside Viet Nam, Red China, metropolitan blackouts, etc., still I'm not sure I know what the Senators mean.

I know very few farmers who are politicians and practically no politicians who are farmers, and I believe you could take the oue out of the other, or vice versa, and have about what you started with.

While it's true there have been farmers who gave up farming and went into politics, and politicians who gave up politics and went into farming, both involuntarily, it's hard to tell who gained and who lost.

Of course, the Senators may be right and if you take politics out of farming the problem will end, but as far as I'm concerned it won't end till you take the work out of it.

The politics I can handle sitting down.

On the other hand, you take politics out of farming annd discover it works, and some smart elec will come along suggesting you take it out of government too. We better leave well-enough alone.

Yours faithfully,
J.A.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK

Millions Leave Them There!

MY PRIVATE MOVIE

There was a day last summer that I keep tucked away in the back of my mind, like a miniature mental movie all my own. Sometimes, when other days aren't quite as bright as this one was, I take it out and reel off a private showing.

It was a Sunday. We'd beeen to church, Lee and the three children and I. Then we went home and packed up a big picnic lunch and took it down to the creek. It was one of those perfect summer days poets have written about. Everything tasted better than it could possibly have been. When we'd finished eating, the kids sailed their boats while Lee and I stretched out on the grass and looked up in the blue silk sky, all dotted with fleecy white clouds.

We didn't say anything, but I know that we were both thanking God for all the blessings he'd bestowed on us. I know that we were feeling, just then, particularly at peace with ourselves, and with the universe. I was thinking, too, of our kids as they'd come out of Sunday School that morning, with their bright faces glowing, and I gave a silent vote of gratitude to my parents for having raised me in the Church. Now I was able, in turn, to pass on this priceless heritage to my own children.

In this high pressure, jet-propelled age we're living in, we need so much to guide our children in the right way. Without the aid of the Church I, for one, would be at a total loss—and that afternoon I realized it, with particular emphasis.

I suppose, when you come right down to it, we really didn't do so much, that Sunday. But it was a day that left me with a feeling of family unity, of togetherness . . . . I shall never forget.

Sometimes, when things are "at sizes and sevens," a parent needs to take time out to remember just how precious a family is. Whenever I find myself in danger of forgetting—I just dust off my movie and live that Sunday all over again, to myself.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

she has plenty of hot water with an
ELECTRIC WATER HEATER!

Mother . . . baby . . . everyone in the family enjoys the always-ready supply of hot water provided by a safe, flameless electric water heater.

Because it requires no flue or vent, an electric water heater can be installed almost anywhere . . . closet, pantry, attic, garage, or even in an out-of-the-way corner of the kitchen.

Heating elements are located inside the tank on an electric water heater for efficient, economical operation and long life . . . no "hot spot" at the bottom as in flame-type heaters.

The best water heaters are electric.
Available in upright and cabinet models.

THE FAMILY LAWYER

Movies in the Courtroom

The jurors wee rduly impressed when the attractive young plaintiff described the leg injuries she had suffered in an auto accident. She was so crippled, she said, that she was forced to wear low heeled shoes at all times.

In short order, the opposing attorney called for the courtroom to be darkened for a movie. Taken secretly, the movie neatly punctured the plaintiff's claim by showing her arriving at a party—wearing extra-high heels.

Courtroom movies have found their greatest use in deflating injury claims that are either false or exaggerated. However, they have also proved useful in establighing claims that are valid—for instance, by clarifying the conditions that led to an accident, or by demonstrating the effects of an injury.

In fact, movies are so revealing that, though offered by one side of a lawsuit, they may aid the other side even more.

For example, in disputing the claim of an injured boy, the defense showed movies of him playing baseball to demonstrate that he was still able to take part in sports. But the movies also showed, more poignantly than words, the handicaps he did suffer in chasing fly balls and running bases.

Of course the law's concern is not which side is helped but whether justice is served. There is real danger in the very fact that movies are so persuasive for they may influence a jury beyond fair limits.

With that danger in mind, the law insists on careful conformity to the rules of evidence. Authenticity and accuracy of the films must be proven. Relevancy to the issues must be established. The trial judge may, at his discretion, rule out films that don't meet these tests.

In one case, a film of a stretch of highway was offered to show that the injured pedestrian should have been able to see the oncoming car.

However, it turned out that the picture was made in the wintertime, when intervening trees were bare of foliage. Since the accident happened in the summertime, when the trees were in full bloom, the film was excluded by the judge.

But with legal safeguards, movies have an important role to play in the courtroom. Like many other scientific developments, they open new paths in the law's search for truth.

SELF ANALYSIS QUIZ
How Well Do You Face Life?

By Jane Sherrod Singer

"Life is real and life is earnest," warned Poet Henry Wadsworth Longfellow; yet there are many of us who would like to flit through the days with no responsibilities, no cares, like a spring butterfly. The ability to face reality honestly, bravely, to weigh it carefully and see it in its proper perspective, is an outstanding mark of a well-adjusted mature personality. The people at the other extreme, who withdraw entirely from the world as it is, need, of course, psychological help.

	YES	NO
1. When you have a day ahead, filled with distasteful jobs, do you usually oversleep?	( )	( )
2. Is your bank balance often overdrawn?	( )	( )
3. After seeing a glamorous "penthouse" movie, does your own environment depress you?	( )	( )
4. Generally speaking, when things go wrong, is it the fault of others?	( )	( )
5. When you have many things that should be done, do you often find yourself disregarding them in order to finish an exciting book, radio or television program?	( )	( )
6. Do you only see your doctor when you are ill and your dentist when you have a toothache?	( )	( )
7. In times of trouble, do you drink more alcohol than you usually do? (or take more tranquilizers or sleeping pills?)	( )	( )
8. Do deaths of people or animals seem to affect you more and depress you longer than other people you know?	( )	( )

SCORING: Count up your **NO** answers.

7 to 8 NO answers: You face reality straight on without blinking. Your friends think of you as the Rock of Gibraltar and often come to you for advice and help. Let's hope your staunchness is tempered by a modicum of sentiment to add sweetness to living.

4 to 6 NO answers: You are prone to hide your head in the sand at times, to escape the facts confronting you. Watch it!

2 to 4 NO answers: You live in a dream world. People consider you childish and those who love you overlook your immaturity. If, however, this trait becomes more pronounced, you may be in for real trouble.

0 to 2 NO answers: On the basis of this questionnaire, you may need help. Perhaps it would be wise to discuss your answers with a close friend, a doctor or member of the clergy.

Milam Rates 3 Stars In Chamber Study

The East Texas Chamber of Commerce has given Milam County a three star rating in its annual tax survey of counties within the East Texas Chamber region.

Under the Chambers merit system of awards it is possible for a county to receive five stars.

Under the rating schedule Milam was awarded stars for 1) operating on a cash basis, 2) operating within its budget, and 3) net debt per capita not exceeding 2.50 per cent of assessed valuation. The county missed two possible stars because they had collected under the necessary 95 per cent of current taxes and-or 100 per cent of current and delinquent, and because the tax burden (or cost) per capita was slightly above state average.

A report compiled by the East Texas Chamber showed that Milam County budgeted $634,859.02 and actually spent $567,382.84 in 1964. Expense budget for 1965 was set at $608,804.25.

The county collected 93.32 per cent of current taxes and 94.66 per cent total for the year ending June 30, 1965.

The report also showed the net debt per capita for Milam County in 1964 was $1.76. The net debt per capita for the average county in the state amounted to $32.85, and the average net debt per capita for counties in the East Texas Chamber of Commerce region amounted to $41.42.

CARD OF THANKS

We would like to take this means to express our thanks to all of those who were so kind and considerate of our loved one, Mrs. A. C. Odom, who passed away Nov. 13. The nurses at the hospital, Dr. Nigliazzio, Bro. Thibodeaux, those who offered blood, also the ones who sent flowers, and for every kind deed that was done. Also for all who brought and served food. Not one thing has gone unnoticed. And may we humbly say, "May God bless you all."

TOY TIPS

Toy shopping can be confusing and even overwhelming with the huge variety of toys available today. Make your toy buying plans prior to your shopping trip, keeping these general considerations in mind.

Select the proper toy for the child's age, interest and ability. Select toys that are sturdy and safe. And most important of all, choose toys that are creative and that stir the child's imagination. Here are some specific ideas for different age groups.

Age 1 to 4. Children in this group love to explore, taste and touch. Give them:

- Pull toys—Locomotion fascinates them.
- Stuffed animals—Cuddly animals help bring security.
- Creative toys—Bright, plastic Tinker Tools teach simple construction.

Age 4 to 8. Children now become more active, and imaginative. For this group choose:

- Tricycles and outdoor wheel toys—Active toys are necessary for physical development.
- Construction sets. These develop coordination and manipulative skills — Toy Maker, from which a wide variety of push-pull toys can be made, is a good example.
- Doll families—Excellent for dramatic play.

Age 8 to 12. Children become much more diversified in their interests. Select for this group:

- Puzzles—Map puzzles are educational and intriguing.
- Challenging toys—Toys that challenge the skill and creative ability are more important now. The Motorized Tinkertoy is an example of a toy that is as creative as the individual child.
- Ice skates, bicycles, bats and balls—The child's enormous energy needs physical toys for an outlet.

Public Housing Rent Going Up, Income Steady

Financial report for the Cameron Houston Authority showed a total income of $13,475.05 between Sept. 30, 1965, and Sept. 30, 1966. This is an average of $22.46 per unit per month.

Joe Matula, executive director of the Authority, said operating expenses totaled $10,890.64 leaving $2,584.41 to be applied to the Debt Service Fund. Matula said there had been no collection losses in the three years.

Matula said minimum rents will be increased from $17 to $20 effective Jan. 1, 1966. Security Deposits will be increased from $10 to $20 and maximum income limits for admission will be increased from $2,400 to $3,000. The admission limit raise is subject to approval by the Public Housing Administration. All units are occupied at present.

Board of commissioners for the Housing Authority are August Kunz, chairman, John B. Henderson, Calvin Markham, J. J. Heitman and Henry J. Litzman.

Ten inches of snow equals about one inch of rain.

The Mayans invented their calendar about 300 B. C.

Buildings in Disneyland are five-eighths normal size.

DRYLOT RANCHING

After 5 years, 34 cow kept in drylot have performed just as well a 34 imilar cows maintained on native pasture at the RollingPlains Livestock Research Center at Spur. The percentage of calves weaned has been 88 per cent for both groups. The drylot calves have been heavier by 15 pounds but net returns lower because of higher maintenance costs.

LANDOWNERS VS. SPORTMEN

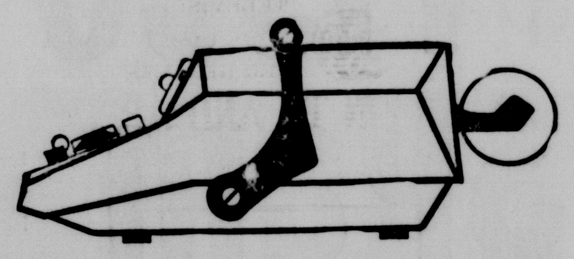

Friction between landowners and sportsmen can be held to a minimum, believes Wallace Klussman, wildlife conservation specialist at Texas A&M University, if each fully understands and appreciates their responsibilities.
